

IQAS (INTERNAL QUALITY ASSURANCE SYSTEM) INTRODUCTION

- According to the University Grants Commission, Internal Quality Assurance System (IQAS) is conceived as a mechanism to build and ensure quality culture at the institutional level.
- The IQAS is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the college.
- The IQAS may channelize and systematize the efforts and measures of an institution towards academic excellence.
- As per UGC guidelines IQAS should be facilitative and participative organ of the institution. It should become a drawing force for enhancing quality.

GOALS OF IQAS

- 1) To develop a Quality System for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the college.
- 2) To promote measures for institutional functioning towards Quality Enhancement (QE) through internalization of quality culture and institutionalization of best practices.

FUNCTIONS OF IQAS

- 1) To develop and apply Quality Benchmarks for the various academic and administrative activities of the College.
- 2) To act as a Nodal Agency of the college for coordinating quality-related activities including adoption and dissemination of good practices.
- 3) To facilitate the creation of learner-centric environment, conducive for quality education and to adopt required knowledge and technology in teaching-learning process.
- 4) To arrange feedback responses from students, parents and other stakeholders on quality related processes.
- 5) To organize inter and intra workshops, seminars on quality related themes.
- 6) To prepare Annual Quality Assurance Report (AQAR) of the college based on the quality parameters and assessment criteria developed by NAAC.
